**HONORING THE CAREER OF MR.  
TONY COROALLES**

---

**HON. TED LIEU**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 11, 2018*

Mr. TED LIEU of California. Mr. Speaker, I rise to celebrate the career of Mr. Tony

Coroalles who is retiring on May 31, 2018. Tony's 15 years of service establishes him as the longest serving City Manager in the history of the City of Calabasas in Los Angeles County.

Tony was born in Havana, Cuba in 1952 and immigrated with his family to San Francisco when he was young. Tony grew up in San Francisco and received his bachelor's degree in biology from the University of San Francisco. In 1974, Tony enlisted in the United States Army and after 27 years of service earned the rank of Colonel before he retired from the military in 2001. When Tony was selected as the City Manager of the City of Calabasas, he described his experience in the Army as instrumental in preparing him for the job.

Tony once stated about his military service, "I ran all the Army bases in Alaska—I was essentially the city manager for the Army in Alaska. I did that for a little over two years . . . Before that, I had done the same thing in a smaller installation . . . I had two tours in the Army in city management."

After Tony's retirement from the military in 2001, he worked as the Assistant General Manager for the Department of Recreation and Parks in Los Angeles. Tony managed all of the parks and open spaces in the city of Los Angeles as well as the 1,200 full-time employees and 4,000 part-time employees of the department.

When Tony was hired as the City Manager of the city of Calabasas, then Mayor James Bozajian said that the city council chose Tony not only for his experience, but for his "ideas and his sense of direction" for the city of Calabasas. Focusing on delivering quality services to the city's residents, Tony oversaw the installation of a new 'smart' irrigation system which saves money by actively responding to weather conditions, as well as the construction of separate senior and civic centers. These new structures and systems, along with improving the city's roadways and streetscapes, has not only improved service delivery in the Calabasas community, but brought it closer together.

Tony and his wife Patty will be moving to Lake Oconee, Georgia to be closer to members of their family. I would like to thank Tony for everything he has contributed over the course of his career with the city of Calabasas.
